## **Cacciatori di favole (Italian Edition)** Annamaria Quarantotto

Questo libro è dedicato ai cercatori di favole, a coloro che sono a caccia di storie da narrare; ma anche a chi quelle storie desidera conoscere, perché sa apprezzarne la profonda semplicità. Annamaria Quarantotto ci regala le favole della civiltà contadina della sua terra, la memoria tramandata da intere generazioni di donne “raccoltrici di conoscenze proibite”. Il viaggio nei simboli e nel significato originario di queste “umili” narrazioni ci porterà lontano: dalla Bibbia agli antichi miti, fino alle fiabe moderne, per svelarci la verità e la saggezza della tradizione. Ne viene fuori un libro incantato come le favole di cui si fa custode; antropologia e letteratura al tempo stesso, un’opera che esprime il vitale piacere di raccontare.
