This workbook was created for those who are married and want to truly become one with their spouse (Matthew 19:5-6) and conquer anything in their way as GOD has commanded them to do. If you are unmarried or engaged, prayerfully these exercises will assist you with your communication, transparency, and help you to realize though marriage is ordained, once you say, "I do", the work just begins. These 10 exercises are filled with questions you may or may not have asked, might have thought about, but did not have the courage to speak up, or have never even entered your mind. Monique and I, though we have not been married for 25 years, have shared twelve years filled with love, transparency, tears, faith, trust in GOD, and so much more.
