Perfect for those interested in learning more about what the Bible actually says but who have neither the time nor the interest to read the actual thing

Ever thought you should know more about what's in the Bible, not because you believe in any religion, but because it's the most read book in history? Before you dust off the family Bible, or reach into the hotel bed stand, *The Nonbeliever's Guide to Bible Stories* will save you a lot of time and trouble. Coupling an editor's pen with a skeptic's commentary and humorist's wit, it offers the highlights of each book of the Bible, from Genesis to Revelation, and distills them into quick, entertaining, bite-sized chunks. It's all here: the characters, famous quotes, tall tales, and references often heard in film, music, art, literature, and conversation. You'll also learn about all the sex, murder, harlotry, intrigue, magic tricks, ghosts, and sin that help fill sermons on Sunday mornings.
