Dangerous Boy

Mandy Hubbard

Dangerous Boy Mandy Hubbard

A modern-day retelling of *The Strange Case of Dr. Jekyll and Mr. Hyde* with a chilling twist

Harper has never been worried about falling in love, something she is skeptical even exists. But everything changes when Logan moves to town, and to Harper's shock, the two tumble into an intense romance. It's everything she never thought she wanted.

Then she meets Logan's twin brother, Caleb, who was expelled from his last school. True, he's a bad boy, but Harper can't shake the feeling that there's something deeply sinister about him--something dangerous. When Logan starts pulling away, Harper is convinced that Caleb's shadowy past is the wedge being driven between them. But by the time she uncovers the truth, it may be too late.

The author of *Prada & Prejudice*, *You Wish*, and *Ripple* delivers a modern-day retelling of a famously gothic tale, full of suspense, lies, and romance.
