Montclair, New Jersey, like most American towns, has grown dramatically over the course of the last one hundred years. Much of the early 1900s landscape has been disguised, and the town has come to reflect the popular styles and fashions of changing eras. Streets have been paved, the facades of commercial buildings have been updated, and homes have been altered to reflect contemporary tastes and accommodate modern conveniences. This volume of approximately two hundred postcards from the author's collection, most never before published in book form, captures Montclair as it was in the early twentieth century. The reader will see familiar landmarks such as the Montclair Art Museum, the Marlboro Inn, and the Bellevue Theater as they originally appeared, and discover the vanished predecessors of the Japanese-style mansion on Upper Mountain Avenue and the Rockcliffe Apartments off Crestmont Road.
