The 13th Resolution Charles Sheldon

“Good resolutions are like babies crying in church. They should be carried out immediately.”

—Charles Sheldon

Charles M. Sheldon, best known for his classic *In His Steps*, wrote the 13th Resolution in 1928. It was to spur readers on to making commitments stick, and one in particular—being involved with one’s local church. His supposition? If you are a person of faith then surely you would get fully engaged in community.

Sheldon’s classic story is now available again in this digital-first edition, retelling the story of James Blaisdell and his family, as they live out their faith and life in Kansas.
