**The Countryside England, Wales, and Northern Ireland** Joe Cornish, David Noton, Paul Wakefield

Over a hundred years ago, the National Trust was founded to preserve places of historic interest or natural beauty in England, Wales, and Northern Ireland. Today it protects more than 600,000 acres of land. The variety is unparalleled—from the fells and lakes of Cumbria to the wilderness wetlands of Wicken Fen in East Anglia. This collection of photographs reveals not only the natural beauty, but how the human hand has shaped the landscape over the centuries.
