Badges and Uniforms of the RAF Malcolm Hobart

Throughout the relatively short yet highly distinguished history of the Royal Air Force there has been a tendency for the men and women of the Service to be overshadowed by the glamour of the aircraft.

Nonetheless it is surprising that there has never before been a complete record of the uniforms and badges of the RAF and its predecessor, the Royal Flying Corps.

Malcolm Hobart and Pen and Sword Books have cooperated to rectify this serious omission with this superbly color illustrated and comprehensive collector's guide. Badges of rank and trade are all depicted not only for the flying arms but for ground staff. This valuable addition to our Collector series also covers the RAF Reserves and Auxiliary Service, Air Training Corps and the Royal Observer Corps.
