Comprising a complete set of baby items—an afghan, a bonnet, booties, a bottle cover, and either a long dress or sweater—the nine projects presented in this simple guide use double and single crochet popcorn stitches to create a delicate repeating heart motif on each piece. Ideal for an intermediate crochet skill level, the sets can be sized for newborns to three months or three months to six months. Styled for DK-weight yarn, the girl set features a puffed-sleeve gown embellished with lace edgings, and the boy set features a handsome two-color sweater. Originally published in 1989, these stunning layette patterns are among the most requested crochet designs and are accompanied by new color photographs and presented in an easy-to-read format.
