Ernest Renan

Le Christ dans l'art (French Edition) Ernest Renan

La figure du Christ a, depuis toujours, inspiré les artistes. Déjà, dans les catacombes de l'Antiquité romaine, son portrait apparaissait sur les fresques murales. Plus tard, la vie du Christ se découpe dans les vitraux des églises gothiques ou se dessine sur les toiles des artistes de la Renaissance. Cependant, la figuration du Seigneur ne répond pas à une codification particulière et peut prendre, selon les artistes, des traits divers et variés.

Qu'elles soulignent la spiritualité d'un dieu incarné ou les caractéristiques terrestres d'un homme de chair et de sang, les représentations nombreuses du Christ illustrent la fascination que ce dernier exerce sur les artistes, tant religieux que profanes.

L'auteur, Joseph Lewis French, guide le lecteur à travers les représentations les plus iconiques du Christ dans l'art — des scènes de la Nativité de Cimabue aux portraits provocants de Salvador Dalí ou Andres Serrano.
