To See the Moon Again

Jamie Langston Turner

To See the Moon Again Jamie Langston Turner

The first step to letting go of the past is forgiving it...

Every day of her life Julia Rich lives with the memory of a horrible accident she caused long ago. In the years since, she has tried to hide her guilt in the quiet routine of teaching at a small South Carolina college, avoiding close relationships with family and would-be friends. But one day a phone call from Carmen, a niece she has never met, disrupts her carefully controlled world.

Carmen is a study in contrasts—comical yet wise, sunny yet contemplative, soft yet assertive. As she sets about gently drawing Julia from her self-imposed solitude into a place of hope, she also seeks her own peace for past mistakes.

Together, the two women embark on a journey that takes Julia far from the familiar comfort of home and gives Carmen the courage to open her heart. Together, their sightseeing trip turns into a discovery of truth, grace, redemption, and, finally, love...
