La empresa más feliz del mundo (Narrativa empresarial) (Spanish Edition) David Tomás

Esta es la historia de un biólogo que repentinamente hereda de su padre dos librerías en la ciudad de Barcelona. Ambas son diametralmente opuestas y lo único que tienen en común es que ninguna da ganancias. El protagonista, después de estudiar el funcionamiento de ambas, decide efectuar unos cambios en la forma de gestionar al personal e instaurando unos sencillos cambios para fomentar la motivación y la implicación de los empleados en el futuro de la empresa. Utilizando las 11 claves de las empresas felices, muchas de sentido común pero poco utilizadas. Poco a poco va transformando ambas librerías a través de la reconversión de sus empleados, ya que no hay empresas felices si la gente que trabaja en ella no lo está. Una historia corta y agradable de leer, sin dejar de ser muy profunda en la filosofía que trasciende y muy práctica en los cambios que aconseja.
