Part of Packt's Beginner's Guide series, each chapter looks at a different aspect of using Moodle in a business environment, and steadily guides the reader through setting Moodle up in their own business with the help of practical examples, accompanied by lots of screenshots. Each chapter also includes case studies from well-known companies that have already implemented Moodle. If you are responsible for training, recruitment, or maintaining any guidelines within your company, then this book is for you. No previous experience with Moodle is necessary as the examples are easy to follow
