L'indotto indecente (Italian Edition) Rosario Ocera

L'autore Rosario Ocera ci presenta dei racconti di fabbriche, sulle fabbriche, dalle fabbriche; spaccati di una realtà che non è più e di quella che è poi diventata, avventure urbane di operai e ricercatori, tra spensieratezza e tristezze, personaggi sempre degni di nota, persone prima che personaggi, vite vere trasportate con la capacità di indagare di un vero scrittore.

Tra routine e fatica, politica e sotterfugi, economia e sentimenti, si snoda una storia che fa da cornice a mille storie, fino a definire la Storia, quella di un periodo importante, quella di adesso.

Ocera ha ricostruito un mondo reale immergendolo nella letteratura, con una maestria rara per un esordiente, appoggiandosi a una scrittura piana ma non piatta, mai banale, dove il gusto per la narrazione degli accadimenti si arricchisce con quello per la scelta lessicale, per una sintassi scorrevole e di assoluta piacevolezza.

Per tutto quanto finora esposto, sono certo che L' indotto indecente, sia un'opera intelligente, che sa affabulare e coinvolgere il lettore.
