Mind-Blowing Magic Tricks Bob Longe

Kids can make a little magic happen when they have this handy kit in hand. Just like the popular *String Games* and *Tangram Puzzles*, this attractive spiral-bound book has a plastic box up front filled with goodies. Inside, young magicians will find all the paraphernalia they'll need to wow an audience: a brightly colored handkerchief that can get longer...and longer...and longer, dice to use for some "mental magic," and, of course, the classic deck of cards. The manual itself contains dozens of fabulous tricks, illustrated with color photographs that children can easily follow. Every illusion is designed for an up-close—rather than big theater—performance, so youngsters can do them anywhere, anytime, without the audience ever figuring out how they work!
