The Adventures of a Real-life Cable Guy Dan Armstrong

Growing up, author Dan Armstrong dreamed of becoming an FBI agent or a police officer. He hadn't considered working as a cable guy. He didn't know it was a profession. But when he was twenty years old, Armstrong began working for his local cable television company and hasn't looked back.

In *The Adventures of a Real-Life Cable Guy*, Armstrong recounts his experiences with dozens of characters, stories gathered during his thirty-year career—from the hilarious and the horrifying to the happy and the heartbreaking. He's serviced a million-dollar mansion and a five-hundred dollar trailer on the same day. He's been in homes where the cats outnumbered the humans. He's saved a man's life. And he was the last to see someone alive.

Praise for *The Adventures of a Real-Life Cable Guy*

"It's always fun to read the insights into other worlds where we will never travel. Reading *The Adventures of a Real-Life Cable Guy* is a great collection of humorous and fun stories ..."

—Ron White, Two-Time USA Memory Champion
