More than 200 colorful illustrations, dating from the Victorian age through the early twentieth century, celebrate Christmas traditions of years gone by. These beautiful illustrations, which originally appeared in calendars, advertisements, and greeting cards from across the United States and Europe, recall the wholesome holidays of simpler times. Nostalgic images of angels, St. Lucia, Yule logs, and wassailing are only some of the treasures selected from the more than 1,300 items in the author's own collection of vintage Christmas books and ephemera.
