Beware! At first, Charli is excited about the Crandall family's newest endeavor—fixing up the town's old mansion and turn it into a bed-and-breakfast. She even volunteers to help. Then strange things begin to happen. Charli hears someone singing—but no one is there. She sees the shadow of a rocking cradle—but there is no cradle. And then she hears a baby crying, and crying. . . . Something terrible happened in the old house many years ago. And it may happen again, unless Charli can figure out how to stop the past from repeating itself.
