## The Soul of Place: A Creative Writing Workbook: Ideas and Exercises for Conjuring the Genius Loci

Linda Lappin

In this engaging creative writing workbook, novelist and poet Linda Lappin presents a series of insightful exercises to help writers of all genres—literary travel writing, memoir, poetry, fiction, creative nonfiction—discover imagery and inspiration in the places they love.

Lappin departs from the classical concept of the *Genius Loci*, the indwelling spirit residing in every landscape, house, city, or forest—to argue that by entering into contact with the unique energy and identity of a place, writers can access an inexhaustible source of creative power. *The Soul of Place* provides instruction on how to evoke that power.

The writing exercises are drawn from many fields—architecture, painting, cuisine, literature and literary criticism, geography and deep maps, Jungian psychology, fairy tales, mythology, theater and performance art, metaphysics—all of which offer surprising perspectives on our writing and may help us uncover raw materials for fiction, essays, and poetry hidden in our environment.

An essential resource book for the writer's library, this book is ideal for creative writing courses, with stimulating exercises adaptable to all genres. For writers or travelers about to set out on a trip abroad, *The Soul of Place* is the perfect road trip companion, attuning our senses to a deeper awareness of place.
