There is an epidemic of diabetes and the problem is only getting worse. More than 220 million people worldwide have diabetes, and over 3 million people die from the consequences of the disease each year. Diabetes deaths will double by the year 2030. Fortunately, here is an answer. This book can help the majority of diabetics come off all or most medications by changing their lifestyle, eating a healthier diet, starting to exercise, and taking nutraceuticals.
