Robbie Holz

Aboriginal Secrets of Awakening: A Journey of Healing and Spirituality with a Remote Australian Tribe Robbie Holz

One woman's story of healing through Aboriginal principles and awakening to her own healing powers

- Explains principles from the 60,000-year-old Aboriginal culture of Australia that can help create transformation in your life
- Details her experiences participating in secret women's ceremonies with an Outback Aboriginal tribe
- Describes how she recovered from illness, met her team of spirit guides, coped with her husband's passing, and found that love can transcend death

Sharing her journey from bedridden patient to inspired healer, Robbie Holz recounts her recovery from hepatitis C, fibromyalgia, and treatment-induced brain damage, as well as the blossoming of her own healing powers, through her work with her husband, the late healer Gary Holz, and her experiences with a remote tribe in the Outback of Australia.

Robbie describes many of the miraculous healings she witnessed while working with Gary in his Aboriginal-inspired healing practice. She details the powers that Gary developed after his transformative time being healed by Aborigines, including telepathy, seeing the inner workings of his patients' bodies, and channeling the healing energy of the universe. She discloses how Gary accessed the Dreamtime, the energy field that is the source of reality, and reveals how her work with Gary led her to an invitation to participate in secret Aboriginal women's ceremonies in the harsh Outback desert, where her own healing powers blossomed.

Through her story of healing and discovery, Robbie describes principles from the 60,000-year-old Aboriginal culture that can help create transformation in your life. She explains how she became aware of her team of spirit guides, who provide unwavering support and unconditional love through each of life's struggles. She shares the tenderness of her husband's final moments and how she worked past her grief to transform her relationship with him, enabling him to become an active, loving part of her spirit team and partner in her healing work.
