Leo Strauss and the Conservative Movement in America

Paul E. Gottfried

Leo Strauss and the Conservative Movement in America Paul E. Gottfried

This book offers an original interpretation of the achievement of Leo Strauss, stressing how his ideas and followers reshaped the American conservative movement. The conservative movement that reached out to Strauss and his legacy was extremely fluid and lacked a self-confident leadership. Conservative activists and journalists felt a desperate need for academic acceptability, which they thought Strauss and his disciples would furnish. They also became deeply concerned with the problem of 'value relativism', which self-described conservatives thought Strauss had effectively addressed. But until recently, neither Strauss nor his disciples have considered themselves to be 'conservatives'. Contrary to another misconception, Straussians have never wished to convert Americans to ancient political ideals and practices, except in a very selective rhetorical fashion. Strauss and his disciples have been avid champions of American modernity, and 'timeless' values as interpreted by Strauss and his followers often look starkly contemporary.

Ronald Dotson:

Reading a book tends to be new life style within this era globalization. With looking at you can get a lot of information that could give you benefit in your life. Using book everyone in this world may share their idea. Guides can also inspire a lot of people. Plenty of author can inspire their very own reader with their story as well as their experience. Not only the story that share in the ebooks. But also they write about the ability about something that you need case in point. How to get the good score toefl, or how to teach your children, there are many kinds of book that exist now. The authors on this planet always try to improve their expertise in writing, they also doing some analysis before they write to their book. One of them is this Leo Strauss and the Conservative Movement in America.

Mary Scruggs:

As a pupil exactly feel bored to be able to reading. If their teacher inquired them to go to the library in order to make summary for some reserve, they are complained. Just small students that has reading's heart or real their hobby. They just do what the trainer want, like asked to go to the library. They go to presently there but nothing reading critically. Any students feel that studying is not important, boring along with can't see colorful photos on there. Yeah, it is being complicated. Book is very important to suit your needs. As we know that on this era, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore this Leo Strauss and the Conservative Movement in America can make you sense more interested to read.
