The Killer Trail D.B. Carew

When Vancouver psychiatric social worker Chris Ryder spots an abandoned cell phone during his afternoon jog, the innocent discovery drags him into the psychotic games of Ray Owens, a suspect at the centre of a high-profile kidnapping and murder case. Now if Ryder is to survive, he must examine the darkness in his own soul as he walks the killer trail.

"One clever criminal plus one broken social worker equals one hell of a smooth breakout novel from D.B. Carew. *The Killer Trail* is an intense psychological thriller that explores the pathologies of the hero and the villain in equal measure, driving them head on into each other in a bold twist of an ending."

- Robin Spano, author of *Death's Last Run*

"*The Killer Trail* has an unforgettable villain, breakneck pacing and promises plenty of mysteries ahead. D.B. Carew has a knack for creating realistic settings, intriguing characters and an ever-intensifying plot."

- Garry Ryan, author of the Detective Lane series
