Becoming Christ: Transformation Through Contemplation Brian C. Taylor

With clarity, wisdom, and wit, Brian Taylor offers a fresh look at contemplative prayer as the pathway to genuine healing and spiritual transformation. Taylor gives practical, how-to advice for those with a serious interest in contemplative prayer, and also explores its roots in the faith and traditions of the church.

This book is itself the fruit of years of contemplative practice, and whether you are new to this form of prayer or an experienced practitioner, Taylor's insight, encouragement, and guidance will enhance and strengthen your efforts to draw nearer to the heart of God in prayer, and in doing so, become more fully conformed to the image of Christ.
