## **Dark Fairies** Bob Curran

We all know about fairies-- they're usually helpful, ethereal creatures in children's stories and Walt Disney films, flitting about doing good, right? Wrong! In ancient times, the concept of fairies was rather different. They were the often-dangerous embodiment of the land, dark and unpredictable spirits that watched Humanity with a jaundiced and hostile eye. And, according to conventional folk wisdom, they were to be feared rather than trusted. Indeed, in their original form, many of our "fairy tales" read more like late-night horror stories. Dr. Bob Curran investigates the folkloric roots of the fairy kind, tracing their origins from the sprites and maenads of Classical times to the sanitized versions of the English Victorians. Among other aspects, he examines the connections in the Christian mind between the fairy kind and demons; the links between fairies and ancient, pagan gods; and the often-strained relations between fairies and humans across the ages.

#### **Ann Lang:**

As a student exactly feel bored for you to reading. If their teacher asked them to go to the library or even make summary for some publication, they are complained. Just very little students that has reading's heart and soul or real their passion. They just do what the instructor want, like asked to go to the library. They go to generally there but nothing reading critically. Any students feel that looking at is not important, boring along with can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important for you. As we know that on this era, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore this Dark Fairies can make you experience more interested to read.
