Her Father's Daughter Alice Pung

At twenty-something, Alice is eager for the milestones of adulthood: leaving home, choosing a career, finding friendship and love on her own terms. But with each step she takes she feels the sharp tug of invisible threads: the love and worry of her parents, who want more than anything to keep her from harm. Her father fears for her safety to an extraordinary degree – but why?

As she digs further into her father's story, Alice embarks on a journey of painful discovery: of memories lost and found, of her own fears for the future, of history and how it echoes down the years. Set in Melbourne, China and Cambodia, *Her Father's Daughter* captures a father–daughter relationship in a moving and astonishingly powerful way.
