Ogam: Weaving Word Wisdom Erynn Rowan Laurie

Ogam: Weaving Word Wisdom is a breakthrough in ogam divination and magical studies. Rather than working from the commonly known tree alphabet paradigm, Erynn Rowan Laurie takes us back to the roots of each letter's name, exploring its meanings in the context of Gaelic language and culture. Like the Norse runes, each letter is associated with an object or a concept -- "sulfur", "a bar of metal", "terror". These letters are deeply enmeshed in a web of meaning both cultural and spiritual, lending power and weight to their symbolism. With two decades of experience with the ogam and over thirty years of working with divination, Erynn offers insights into the many profound meanings hidden in the ogam letters and their lore. She explains each letter in context and shows how to expand the system in new and innovative ways while acknowledging and maintaining respect for ogam's traditional language and culture. In this book, you will find ways to use the ogam for divination, ideas on incorporating ogam into ritual, discussions of how ogam relates to Celtic Reconstructionist Paganism, and instructions for creating your own set of ogam feda or letters for your personal use.
