The Art of Travel (Vintage International)

Alain De Botton

The Art of Travel (Vintage International) Alain De Botton

Any Baedeker will tell us *where* we ought to travel, but only Alain de Botton will tell us *how* and *why*. With the same intelligence and insouciant charm he brought to **How Proust Can Save Your Life**, de Botton considers the pleasures of anticipation; the allure of the exotic, and the value of noticing everything from a seascape in Barbados to the takeoffs at Heathrow.

Even as de Botton takes the reader along on his own peregrinations, he also cites such distinguished fellow-travelers as Baudelaire, Wordsworth, Van Gogh, the biologist Alexander von Humboldt, and the 18th-century eccentric Xavier de Maistre, who catalogued the wonders of his bedroom. **The Art of Travel** is a wise and utterly original book. Don't leave home without it.

From the Trade Paperback edition.
