## **Who Is Jesus?** Greg Gilbert

A famed historian once noted that regardless of what you think of him personally, Jesus Christ stands as the central figure in the history of Western civilization. A man violently rejected by some and passionately worshipped by others, Jesus remains as polarizing as ever. But most people still know very little about who he really was, why he was really here, or what he really claimed.

Intended as a succinct introduction to Jesus' life, words, and enduring significance, *Who Is Jesus?* offers non-Christians and new Christians alike a compelling portrait of Jesus Christ. Ultimately this audiobook encourages listeners to consider carefully the history-shaping life and extraordinary teachings of the greatest man who ever lived.
