Requiem: Diana, Princess of Wales 1961-1997 - Memories and Tributes Brian Macarthur

Even the most jaded watchers of the royal saga were caught up in the worldwide outpouring of emotion that followed Princess Diana's death on August 31, 1997. Thousands--maybe millions--paid their respects with flowers; the 80-odd people who contributed their reflections to this book pay homage with well-chosen words. This compilation of memories and tributes, released exactly one year after Diana's death, represents a remarkable range: brilliant writers Martin Amis and Maya Angelou, legendary film director Richard Attenborough, friends and family of Diana, political figures, clergymen, and a sampling of the ordinary people who were touched by the life of this extraordinary woman. For all the reams written about the princess, her story is not complete without a record of the intimate emotions she evoked in acquaintances, historians, feminists, humanitarians, and journalists, which are all captured in the essays, poems, and letters of *Requiem*. All proceeds from the sale of this book will go to Great Ormond Street Children's Hospital Fund, one of Diana's charities.
