From Book 1: Her life is set to warp speed. His is slowing to a crawl. But love has its own timing.

Marketing maven Kate Sherwood's world is fast-paced, challenging, and always changing. The last thing she wants to do is grind to a halt at Rainbow's End, a dilapidated resort in the Texas Hill Country. Still, she cannot deny her ailing grandmother's request to visit the place where she and her deceased husband spent one glorious week fifty years ago. There, Kate meets Greg, who appears to be the resort's unassuming handyman. But there's more to Greg than meets the eye--billions more, in fact.

Kate isn't looking for romance, but she can't deny the sparks of attraction that fly every time she and Greg are together. Could there be a future there? Or will Kate's long-sought promotion take her back to the big city?

Amanda Cabot invites you to step into a place away from the pressures of the day. You might be surprised by what you find at Rainbow's End.
