Though it is simple and obvious, you may not understand the incredible importance of the way of nothing. When you do see the way, you will wonder, "Can it really be this easy and simple?" And seeing that there was never anything in the way of freedom can almost be embarrassing. "How could I have never seen it?" you'll ask. The Way of Nothing: Nothing in the Way explores the obstacles that stop you from reaching your highest desires: enlightenment, eternal peace, or simply ordinary contentment. These obstacles are nothing more than concepts you have that seem real, yet they vanish with insight into the way. It is a wonderful surprise to discover that there has always been nothing in the way of what you want. Best of all, there is really nothing to it!
