Turn Your Ship Around!: A Workbook for Implementing Intent-Based Leadership in Your Organization L. David Marquet

A companion workbook filled with practical advice, tools and lessons based on the acclaimed leadership book, *Turn The Ship Around!* by David Marquet.

In *Turn the Ship Around!* former U.S. Navy Captain David Marquet introduced a bold new approach to leadership, based on his experiences turning around the troubled submarine USS *Santa Fe*. He gave up the traditional command-and-control model and instead inspired his crew to assume responsibility for every individual action. *Santa Fe* rapidly improved its dismal performance record, and started winning awards as the best ship in its class.

Now Marquet returns with a workbook so readers can apply his methods to their own organizations. With extensive questions and exercises on how to delegate and inspire, this workbook will help readers build a work community based on personal responsibility and trust.
