Uncle (New York Review Children's Collection) J.P. Martin

If you think Babar is the only storybook elephant with a cult following, then you haven't met Uncle, the presiding pachyderm of a wild fictional universe that has been collecting accolades from children and adults for going on fifty years. Unimaginably rich, invariably swathed in a magnificent purple dressing-gown, Uncle oversees a vast ramshackle castle full of friendly kooks while struggling to fend off the sneak attacks of the incorrigible (and ridiculous) Badfort Crowd. Each Uncle story introduces a new character from Uncle's madcap world: Signor Guzman, careless keeper of the oil lakes; Noddy Ninety, an elderly train conductor and the oldest student of Dr. Lyre's Select School for Young Gentlemen; the proprietors of Cheapman's Store (where motorbikes are a halfpenny each) and Dearman's Store (where the price of an old milk jug goes up daily); along with many others. But for every delightful friend of Uncle, there is a foe who is no less deliriously wicked. Luckily the misbegotten schemes of the Badfort Crowd are no match for Uncle's superior wits.

Quentin Blake's quirky illustrations are the perfect complement to J.P. Martin's stories, each one of a perfect length for bedtime reading. Lovers of Roald Dahl and William Steig will rejoice in Uncle's wonderfully bizarre and happy world, where the good guys always come out on top, and once a year, everybody, good and bad, sits down together for an enormous Christmas feast.
