As Leia must deal with a new threat to the fragile alliance that binds the New Republic, Lando becomes a prisoner aboard a runaway spacecraft of unknown origin. The ship is following an unstoppable path to its homeworld, destroyed by Imperial forces. Luke continues his quest to learn more about his mother among the Fallanassi, where his every belief about the use of the Force is about to be challenged. And while Leia ponders a diplomatic solution to the aggression of the fierce Yevetha race, Han pilots a spy ship into the heart of Yevethan space and finds himself a hostage on one of the vast fleet of warships under the command of a ruthless leader.

Features a bonus section following the novel that includes a primer on the *Star Wars* expanded universe, and over half a dozen excerpts from some of the most popular *Star Wars* books of the last thirty years!
