Tales of Detective Steve Harrison (A Collection of Short Stories)

Robert E. Howard

Tales of Detective Steve Harrison (A Collection of Short Stories) Robert E. Howard

These early works by Robert E. Howard were originally published in the early 20th century and we are now republishing them with a brand new introductory biography. 'Tales of Detective Steve Harrison' is a compilation of Howard's short stories in the Steve Harrison series and includes 'Fangs of Gold' and other classics. Robert Ervin Howard was born in Peaster, Texas in 1906. During his youth, his family moved between a variety of Texan boomtowns, and Howard – a bookish and somewhat introverted child – was steeped in the violent myths and legends of the Old South. At fifteen Howard began to read the pulp magazines of the day, and to write more seriously. The December 1922 issue of his high school newspaper featured two of his stories, 'Golden Hope Christmas' and 'West is West'. In 1924 he sold his first piece – a short caveman tale titled 'Spear and Fang' – for \$16 to the not-yet-famous Weird Tales magazine. Howard's most famous character, Conan the Cimmerian, was a barbarian-turned-King during the Hyborian Age, a mythical period of some 12,000 years ago. Conan featured in seventeen Weird Tales stories between 1933 and 1936 which is why Howard is now regarded as having spawned the 'sword and sorcery' genre. The Conan stories have since been adapted many times, most famously in the series of films starring Arnold Schwarzenegger.
