The Awakening of Adam Ron L. Kuntz

I shall tell you a story it is the tale of a journey. Gather round, young and old, for the moving and amusing tale of Adam, a most curious and unique little whistle-pig. Adam is different from the rest of his group from birth. Those in the Whistle-pig Clan do not think deep thoughts. They do not laugh. They cannot even smile! But Adam does these things. Adam plays when the others do not. He explores where the others do not. He protects when others will not. And for all his differences, he is shunned from the group and finds a home, alone, a short distance away from where he grew up. Adam is mostly pleased with his solitary life, but he can't help longing for someone to share his thoughts with. A prisoner in his own mind, he sometimes finds it easy to make a bad choice. But, as he is different than any other whistle-pig, he begins to feel emotions that whistle-pigs and others in the animal kingdom do not feel. These emotions leave him conflicted, until the arrival of Agnus, a strangely kind two leg. A story of redemption and hope, The Awakening of Adam is an allegorical treasure that will inspire your heart and touch your spirit.
