A dangerous adventure to save a distant world-

Ryen is just a normal guy trying to do his job. Unfortunately, that job includes trying to save his distant world on the brink of disaster.

Ryen is on a mission to Earth to find the answers to his distant world's most critical questions. While searching the Yucatan Peninsula for a mythic figure—a savior—who would live a perfect life and ultimately die to save their souls, Ryen meets Savannah, a beautiful woman hiding a painful past. On their dangerous adventures together through the untamed jungles of Mexico, he can't help but fall in love with her. As his time runs out, Ryen must decide if he is willing to give up everything he has ever known and loved to stay on Earth with Savannah.

The Masters, a powerful clan of corrupt leaders, are plotting to take back Earth, the sacred planet, from the humans. Ryen and Savannah are thrust into the middle of The Masters' plot.
