**A True Novel** Minae Mizumura

**A remaking of Emily Brontë's Wuthering Heights set in postwar Japan**

*A True Novel* begins in New York in the 1960s, where we meet Taro, a relentlessly ambitious Japanese immigrant trying to make his fortune. Flashbacks and multilayered stories reveal his life: an impoverished upbringing as an orphan, his eventual rise to wealth and success—despite racial and class prejudice—and an obsession with a girl from an affluent family that has haunted him all his life. *A True Novel* then widens into an examination of Japan's westernization and the emergence of a middle class.

The winner of Japan's prestigious Yomiuri Literature Prize, Mizumura has written a beautiful novel, with love at its core, that reveals, above all, the power of storytelling.

### From reader reviews:

#### **Karen Shiner:**

Often the book A True Novel has a lot details on it. So when you check out this book you can get a lot of advantage. The book was compiled by the very famous author. The writer makes some research previous to write this book. This particular book very easy to read you can obtain the point easily after reading this book.

#### **William Barnett:**

Does one one of the book lovers? If so, do you ever feeling doubt while you are in the book store? Try to pick one book that you never know the inside because don't assess book by its cover may doesn't work is difficult job because you are frightened that the inside maybe not while fantastic as in the outside appearance likes. Maybe you answer might be A True Novel why because the wonderful cover that make you consider about the content will not disappoin an individual. The inside or content is usually fantastic as the outside or perhaps cover. Your reading sixth sense will directly guide you to pick up this book.

#### **Charles Buffington:**

This A True Novel is great book for you because the content which is full of information for you who all always deal with world and get to make decision every minute. This kind of book reveal it information accurately using great manage word or we can say no rambling sentences within it. So if you are read the idea hurriedly you can have whole information in it. Doesn't mean it only gives you straight forward sentences but hard core information with beautiful delivering sentences. Having A True Novel in your hand like finding the world in your arm, facts in it is not ridiculous just one. We can say that no e-book that offer you world throughout ten or fifteen second right but this book already do that. So , this can be good reading book. Hi Mr. and Mrs. stressful do you still doubt this?

#### **Harold Fleming:**

Do you like reading a guide? Confuse to looking for your selected book? Or your book was rare? Why so many issue for the book? But any kind of people feel that they enjoy for reading. Some people likes studying, not only science book and also novel and A True Novel or maybe others sources were given know-how for you. After you know how the truly amazing a book, you feel need to read more and more. Science e-book was created for teacher or even students especially. Those textbooks are helping them to include their knowledge. In some other case, beside science publication, any other book likes A True Novel to make your spare time much more colorful. Many types of book like this one.
