Grow Native: Bringing Natural Beauty to Your Garden Lynn M. Steiner

You don't have to compromise beauty for natural landscapes with ecological responsibility and sustainability. In master gardener Lynn Steiner's book *Grow Native*, you'll find guidance for planting stunning gardens using native species that support your local ecosystem. Organized in an easily accessible way, the book offers instructions for planting, maintenance instructions, helpful tips about soil, watering and fertilizing as well as gorgeous photography. With guidance about how to weave native plants into your landscape and replacing common ornamentals with natural plants, this book should have a place on every gardener's bookshelf.

Grow Native combines inspirational garden shots of native landscapes with plant specific chapters and photos. Additionally, sidebars throughout *Naturescape* offer pointers for attracting specific butterflies, birds, bees and other beneficials to your yard--all through plant selections.
