Indian Political Thought

K.S. Padhy

Indian Political Thought K.S. Padhy

Intended as a text for the undergraduate and postgraduate students of political science, and aspirants of civil services this compact book brings to fore the political thought of various Indian thinkers over the decades.

The book begins with a detailed discussion on the political thought of Manu, the lawgiver, whose classification of the different castes and their duties is highlighted. Then it goes on to give a comprehensive account of such thinkers as Kautilya, the author of Arthashastra, who talks about the four stages of life and the duties of the King; Raja Ram Mohan Roy, the religious reformer; Swami Dayananda Saraswati, the Hindu reformer and advocate of the Vedas. Besides, the book deals in detail with such thinkers as Swami Vivekananda, Bal Gangadhar Tilak, Gopal Krishna Gokhale, and Shri Aurobindo.

Further, the book analyzes the political thought of the great Indian leaders — Mahatma Gandhi, the Father of the Nation, whose ideas of Satyagraha, Ahimsa (Non-Violence), Swadeshi, and Swaraj are too well known; Jawaharlal Nehru, the Architect of Modern India and the first Indian Prime Minister whose ideas on socialism, democracy, and planning have guided the nation; the indefatigable JP (Jaya Prakash Narayan), the pioneer of the socialist movement; and Bhimrao Ambedkar, the Architect of the Indian Constitution —the great social reformer who championed the cause of the downtrodden.

Finally, the book makes an analysis of ideas of other thinkers, such as Sir Sayyed Ahmed Khan, a great advocate of communal harmony, Muhammad Ali Jinnah, Lala Lajpat Rai, the Lion of Punjab and the propounder of Swaraj; and Ram Manohar Lohia, a powerful exponent of socialism.
