Italian Gardens: A Cultural History Helena Attlee

To many of us, the great gardens of Italy seem like paradise on earth. But how much do we know of their history, and the people who created them?

In this ravishing book, illustrated with contemporary paintings, drawings and prints as well as photographs of the gardens today, Helena Attlee tells their story. She starts with Petrarch – still looking to medieval chronicles for advice on how and when to plant – and goes on to the Renaissance and those first gardens to emerge from architects' plans. Then she describes the great gardens of the Medici; the first botanic gardens; the weird Mannerist gardens and their grottoes followed by the Baroque splendour of Isola Bella and the Villa Aldobrandini; the Neoclassical and Picturesque gardens of the eighteenth and nineteenth centuries; and how, in the twentieth century, expatriates with money to lavish on their villas and gardens brought new delights.

From reader reviews:

Elias Rosser:

This Italian Gardens: A Cultural History book is absolutely not ordinary book, you have after that it the world is in your hands. The benefit you receive by reading this book is usually information inside this reserve incredible fresh, you will get info which is getting deeper anyone read a lot of information you will get. This kind of Italian Gardens: A Cultural History without we recognize teach the one who looking at it become critical in pondering and analyzing. Don't be worry Italian Gardens: A Cultural History can bring if you are and not make your carrier space or bookshelves' turn into full because you can have it with your lovely laptop even telephone. This Italian Gardens: A Cultural History having good arrangement in word in addition to layout, so you will not really feel uninterested in reading.

Enrique Flora:

Information is provisions for anyone to get better life, information nowadays can get by anyone at everywhere. The information can be a know-how or any news even restricted. What people must be consider any time those information which is within the former life are challenging to be find than now is taking seriously which one is appropriate to believe or which one typically the resource are convinced. If you receive the unstable resource then you understand it as your main information we will see huge disadvantage for you. All those possibilities will not happen with you if you take Italian Gardens: A Cultural History as the daily resource information.

Mindy Munson:

Within this era which is the greater man or woman or who has ability to do something more are more important than other. Do you want to become considered one of it? It is just simple way to have that. What you have to do is just spending your time little but quite enough to have a look at some books. One of many books in the top list in your reading list will be Italian Gardens: A Cultural History. This book that is qualified as The Hungry Mountains can get you closer in growing to be precious person. By looking up and review this reserve you can get many advantages.

Nancy Smith:

As a pupil exactly feel bored for you to reading. If their teacher asked them to go to the library or to make summary for some publication, they are complained. Just little students that has reading's heart and soul or real their passion. They just do what the instructor want, like asked to go to the library. They go to generally there but nothing reading critically. Any students feel that reading is not important, boring in addition to can't see colorful images on there. Yeah, it is to be complicated. Book is very important for you personally. As we know that on this era, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. So , this Italian Gardens: A Cultural History can make you truly feel more interested to read.
