Nearly Found

Elle Cosimano

Nearly Found Elle Cosimano

The sequel to the highly praised and intricately plotted *Nearly Gone*--a YA urban mystery that's perfect for fans of *Bones*, *Numbers*, and *The Body Finder*

After Nearly Boswell starts working as an intern at a crime lab, a girl from her trailer park turns up dead. Then the corpse of a missing person is discovered, buried on a golf course, with a message for Nearly etched into the bones. When Nearly finds out the corpse is the father of Eric, a classmate of hers, she starts to worry that the body is connected to her father's disappearance five years ago. Nearly, Reece, and Nearly's classmates--Vince, Jeremy, and Eric--start a dangerous investigation into their fathers' pasts that threatens Nearly's fragile romance with Reece, and puts all them in the killer's path.
