Peer Groups: Expanding Our Study of Small Group Communication SunWolf

Clans, cliques, clubs, or classmates: Students of group communication should be encouraged to think critically about concepts to the groups that matter to them most—peers. **Peer Groups** is the first textbook to explore group communication dynamics with this vital group. Drawing on a combination of traditional and new theories, Dr. SunWolf uses an inviting writing style, shares the words and provocative thinking of real world group members, and draws on research from social psychology, communication, and group dynamics. This innovative book offers suggestions for critical thinking and new behaviors in students' own peer groups and will inspire further exploration of small group dynamics.
