Weapons & Tactics: A Handbook on Personal Evangelism Jim Wilson

Even if communities understand how to follow the principles of spiritual warfare, the actual winning of souls usually occurs on the personal level. Big-picture evangelistic strategy must be complemented by an understanding of personal evangelism. Weapons and Tactics teaches individual Christians how to apply the evangelistic principles described in Principles of War. Using thorough analysis of Scripture and real-life examples, Jim Wilson provides insight on spiritual weapons (what God has given us to fight with) and tactics (the effective use of those weapons) with simple, powerful language. Weapons and Tactics calls us to personal, life-changing obedience as we follow our captain in the fight.
