Now Darcy was back to find answers about her friend's death, even if it meant jeopardizing the cover she'd so carefully constructed--and discovering that the one man she trusted might not be what he seemed. Because risking her own life was a small price to pay when the lives of those she loved were at stake...

***Exposed* by Katherine Garbera:**

A little danger couldn't keep hotshot reporter Tory Patton from the story of a lifetime. Plus, an exclusive with the navy SEAL Tom King held hostage in war-torn Central America would put her in the big leagues. But an assassination attempt on the wounded soldier suddenly turned Tory's interview into a rescue mission. With the help of a mysterious operative who seemed to shadow her every move, Tory summoned her well-trained survival skills to get them to safety. But would she live long enough to discover more about her sexy guardian angel, and expose a shocking scandal that could implicate everyone from the top levels of the White House to the very people she trusted most?

***Double-Cross* by Meredith Fletcher:**

An orphan with an unknown past, CIA operative Samantha St. John used her quick speed and sharp mind to make up for her small size. Sam was about to go AWOL on a mission for vengeance -- bringing down the legendary killer she believed was responsible for a dear friend's death -- when she was detained and accused of betraying her country. Now, to clear her name and get back to business, the fearless agent had to face down an enemy who bore an uncanny resemblance to Sam herself....

***Pursued* by Catherine Mann:**

Air force captain Josie Lockworth came from a long line of American patriots and was expected to follow her family's example. But after a good friend's death, the usually savvy Athena Academy graduate wasn't

performing at her best. Still, when the project she'd been working on for months crashed and burned, she knew it wasn't due to her negligence. Someone was trying to sabotage her career. With the authorities after her head and an unsettling inspector looking over her shoulder, Josie raced to clear her name before she became the next casualty of war....
