Call of the Eagle

Dave Walker

Call of the Eagle Dave Walker

This is an account of one man's 30-year involvement with England's rarest bird, the golden eagle. Initially employed by the RSPB as a senior species protection warden at a secret location in Cumbria, the author describes the intricacies of establishing a protection regime by wardens that would operate for the next 26 years and his efforts to protect and study this iconic species. The Lakeland eagles were at their most productive during his tenure, rearing six eaglets in the six years before he widened his interest to study eagles in Scotland as well as England. The author discovered and recorded many previously unknown facts about golden eagles. He began to plan and implement projects which would expand knowledge of the species as well as helping to secure their foothold in England. His project is the most detailed and complete study of a pair of golden eagles with, at its heart, the life and times of an eagle he followed from its arrival in 1982 until its death, 22 years later, a bird that would eventually show little fear of him and accept his presence rather than flee. The author recounts the hardships experienced by the eagle and eagle-watcher alike, and his record of behaviour at the nest is unparalleled. However, working with golden eagles is not without difficulties, and the author's encounters with unsympathetic shepherds and poor decision-making are also described, as are his dealings with egg collectors who craved to add the rare English eagle eggs to their collections. His efforts to counter their intrusions even saw him rebuilding eagle eyries that had been so dispassionately destroyed! However, *Call of the Eagle* amply illustrates the close attachment and passion that drove the author to devote so much of his life to this magnificent raptor, famed as the King of Birds.

From reader reviews:

Frank Barcomb:

Why don't make it to become your habit? Right now, try to ready your time to do the important work, like looking for your favorite book and reading a reserve. Beside you can solve your problem; you can add your knowledge by the publication entitled Call of the Eagle. Try to face the book Call of the Eagle as your friend. It means that it can to get your friend when you sense alone and beside that of course make you smarter than ever before. Yeah, it is very fortunated for you personally. The book makes you much more confidence because you can know every little thing by the book. So , we should make new experience and also knowledge with this book.

Allen Goehring:

Inside other case, little men and women like to read book Call of the Eagle. You can choose the best book if you want reading a book. Given that we know about how is important a new book Call of the Eagle. You can add knowledge and of course you can around the world by way of a book. Absolutely right, mainly because from book you can know everything! From your country until finally foreign or abroad you may be known. About simple point until wonderful thing you are able to know that. In this era, you can open a book as well as searching by internet product. It is called e-book. You may use it when you feel weary to go to the library. Let's study.

Paul Steinbach:

This Call of the Eagle are generally reliable for you who want to certainly be a successful person, why. The explanation of this Call of the Eagle can be one of the great books you must have is usually giving you more than just simple studying food but feed a person with information that perhaps will shock your before knowledge. This book is actually handy, you can bring it all over the place and whenever your conditions throughout the e-book and printed types. Beside that this Call of the Eagle giving you an enormous of experience like rich vocabulary, giving you test of critical thinking that we realize it useful in your day action. So , let's have it appreciate reading.

Rodney Natale:

As a scholar exactly feel bored in order to reading. If their teacher inquired them to go to the library or to make summary for some e-book, they are complained. Just minor students that has reading's heart and soul or real their passion. They just do what the trainer want, like asked to go to the library. They go to at this time there but nothing reading seriously. Any students feel that examining is not important, boring and also can't see colorful pics on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore this Call of the Eagle can make you sense more interested to read.
