What role does history play in contemporary society? Has the frenetic pace of today's world led people to lose contact with the past? A high-profile team of researchers from across Canada sought to answer these questions by launching an ambitious investigation into how Canadians engage with history in their everyday lives. The results of their survey form the basis of this eye-opening book.

Canadians and Their Pasts reports on the findings of interviews with 3,419 Canadians from a variety of cultural and linguistic communities. Along with yielding rich qualitative data, the surveys generated revealing quantitative data that allows for comparisons based on gender, ethnicity, migration histories, region, age, income, and educational background. The book also brings Canada into international conversation with similar studies undertaken earlier in the United States, Australia, and Europe.

Canadians and Their Pasts confirms that, for most Canadians, the past is not dead. Rather, it reveals that our histories continue to shape the present in many powerful ways.

Howard Joyce:

Do you have something that you enjoy such as book? The guide lovers usually prefer to opt for book like comic, brief story and the biggest you are novel. Now, why not striving *Canadians and Their Pasts* that give your satisfaction preference will be satisfied by simply reading this book. Reading behavior all over the world can be said as the method for people to know world considerably better then how they react toward the world. It can't be claimed constantly that reading practice only for the geeky man or woman but for all of you who wants to always be success person. So , for all of you who want to start reading as your good habit, you are able to pick *Canadians and Their Pasts* become your own personal starter.

Erica Lewis:

As a pupil exactly feel bored to be able to reading. If their teacher asked them to go to the library in order to make summary for some book, they are complained. Just very little students that has reading's spirit or real their interest. They just do what the teacher want, like asked to the library. They go to generally there but nothing reading seriously. Any students feel that examining is not important, boring and also can't see colorful photographs on there. Yeah, it is to get complicated. Book is very important to suit your needs. As we know that on this era, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore this *Canadians and Their Pasts* can make you feel more interested to read.
