With a passion for communicating to today's postmodern generation, Grenz uses the resources of the biblical message, the heritage of the church, and the thought forms of our culture as tools to construct a helpful theology that is biblical, historical, and contemporary. With the goal of offering a systematic statement of the faith in a manner that can speak to contemporary culture, he centers his reflections around the concept of community. This focus encapsulates the biblical message, stands at the heart of the church's theological heritage, and speaks to the needs of people in today's world. Features illustrations and sidebars.
