As a college student exactly feel bored to help reading. If their teacher inquired them to go to the library or even make summary for some publication, they are complained. Just tiny students that has reading's heart and soul or real their pastime. They just do what the trainer want, like asked to the library. They go to right now there but nothing reading very seriously. Any students feel that studying is not important, boring as well as can't see colorful photos on there.
